## DEEP CLEANSING FOR OILY SCALP

138 / session

*The treatment targets scalp with clogged follicle pores, scalp buildup, and oily scalp. The treatment uses Dead Sea mud to absorb oil, adjust scalp PH balance, and improve scalp metabolism. SKA's exclusive blend of gentle formulas and organic scalp purifying hair bath purifies the hair and scalp of excess sebum, detoxifies the scalp of dandruff-causing fungus and odors. Keeping the hair clean and groomed, and refreshing the scalp.*

Suggested sessions: 4-6 times

Suggested home products: purify oily shampoo

---

## DEEP CLEANSING FOR DRY SCALP

138 / session

*The treatment is for the dry scalp with clogged follicle, scalp build-up, flakes, dry lines and dry itchy scalp. This treatment uses French white mineral clay to effectively remove impurities in the scalp follicle pore and regulate scalp. Delicately cleaned and promoted "good" scalp bacteria, eliminates unsightly dandruff flakes. Combined with SKA's exclusive blend of pure essential oils to give dry skin a soothing and repairing moisturization.*

Suggested sessions: 4-6 times

Suggested home products: purify dry shampoo

## ANTI-INFLAMMATORY AND MOISTURIZING MANAGEMENT FOR SENSITIVE SCALP

148 / session

*This treatment is for redness, itchiness and sensitive scalps, as well as for the relief of psoriasis, seborrheic dermatitis, follicles and dead cell turning cycle disorders. We use SKA's exclusive essential oil formula to soothe and calm redness. The Dead Sea mineral mud to soften excess keratin build-up, and to regulate scalp PH and promote "good" scalp bacteria. We suggest our customers to keep a healthy diet to strengthen body resistance and abstain from spices and alcohol.*

Suggested sessions: 6-8 times

Suggested home products: smoothing shampoo

---

## PH BALANCE FOR COMBINATION SCALP

138 / session

*The treatment is for scalp that is dry inside and outside the oily scalp, the crown of the head is oily, the back of head is dry and itchy. Awful smells of scalp and greasy hair. The hair turns thin and flat. The treatment uses Juliart Cisper herbal based ingredients to purify the scalp, efficiently removes the excessive oil secretion, cleanse and regulate sebum glands.*

Suggested sessions: 6-8 times

Suggested home products: balance shampoo

## HAIR STRENGTHENING AND ANTI-LOSS SCALP MANAGEMENT

158 / session

*The treatment is for normal hair loss, thinning hair growth, and receding hairline. This treatment uses organic micro stimulating, innovative buddleja davidii plant cells and denisplant to extend the hair growth phase. Improve the vitality of follicles. Increase scalp blood circulation. We suggest you detox the digestive system, then take Vitamin B, omega 3, Biotin, and Zinc. Keeping a healthy diet during treatment.*

Suggested sessions: 20 times, once / 2 weeks

Suggested home products: micro-stimulating hair hath, Oway densifying remedy

---

## DHT INHIBITION HAIR STRENGTHENING AND ANTI-LOSS MANAGEMENT

158 / session

*The treatment is for hair loss caused by DHT, we call it DHT baldness. The treatment contains a synergy of hair-fortifying proteins from Biodynamic Anise, Organic Hops and Ethical Carambola that strengthens the hair bulbs and promotes healthy hair growth. Plant Stem Cells from Basil inhibit the production of 5-alpha reductase—the enzyme responsible for the conversion of testosterone to DHT. Excess DHT is known to be one of the most common causes of men's hair loss. We suggest you detox the digestive system, then take the DHT blocker vitamin and use the LLLT (low-level red laser light therapy) at home and keep a healthy diet during treatment.*

Suggested sessions: 20 times, once/two weeks

Suggested home products: micro-stimulating hair hath, Oway nocturnal remedy

# SKIN CARE

---

## SKA DEEP PORE CLEANSING

128 / 60mins

*SKA Deep pore cleansing come with Aqua Bubble Cleansing , this treatment a perfect solution to give you results in deep cleaning, pores and surface exfoliation to remove dead skin cells as well as improving the appearance of closed acne, through the perfect combination of products and equipment, deep cleansing of exfoliation, whitehead, blackheads and other dirt in the skin and pores.*

---

## CLINICAL PEEL

158 / 80mins

*Our Clinical Peel service is a restorative cosmetic procedure that can help reduce the signs of aging on your face. During a chemical peel, our dermatologists will apply a specialized chemical solution to your skin that peels away damaged skin cells, allowing healthy skin to grow in their place. This procedure can help improve a range of skin issues, including wrinkles, hyperpigmentation, acne, and uneven skin texture. Our Clinical Peel is a safe and effective way to revitalize your skin and restore its natural, youthful glow.*
